The Corbin Screw Corporation

The American Hardware Corporation, Successor

New Britain

Connecticut

T is with pleasure that we present in the following pages to our friends and patrons our regular stock output.

Estimates on special goods, and on the products of automatic screw machinery, will be furnished cheerfully upon request.

From our old friends we hope for a continuance of confidence and patronage, and from new acquaintances an opportunity to demonstrate our ability to extend satisfactory service.

Yours truly,

THE CORBIN SCREW CORPORATION

General Offices and Factories New Britain, Conn.

Western Factory Dayton, Ohio

Warehouses: Corbin Screw Corporation,
American Hardware Corporation of New York,
Successors,
98 Lafayette St.,
New York.

Corbin Screw Corporation,
American Hardware Corporation, Successors,
Cor. North 5th and Commerce Sts.,
Philadelphia, Pa.

Corbin Screw Corporation,
American Hardware Corp. of Chicago, Successors,
335 North Wells St.,
Chicago, Ills.

Special Screw Machine Products

Articles Manufactured by

The

Corbin Screw Corporation

AMERICAN HARDWARE CORPORATION SUCCESSOR.

WOOD, MACHINE, CAP AND SET SCREWS,

The length of Diamond-Point Screws (Flat, Round, or Oval Head) is the length of the body of the screw, exclusive of the head. The gauge is measured upon the threaded portion of the screw.

Corbin Drive Screws are measured same as regular Wood Screws.

- 50 Regular Flat Head Screw.
- 51 Regular Round Head Screw.
- 52 Regular Oval Head Screw.
- 53 Oval Fillister Head Piano.
- 54 Regular Piano Head Screw.
- 55 New Piano Head Screw.
- 56 Hexagon Head Screw.
- 57 Bevel Fillister Head Screw.
- 58 Saw Screw.
- 59 Gun Screw, Square End.
- 60 Gun Screw, Small End.
- 61 Round Bung Head Screw.
- 62 Square Bung Head Screw.
- 63 Pinched Head Screw.

- 64 Headless Screw.
- 65 Clove Head Screw.
- 66 Felloe Screw.
- 67 Wing Screw (Special).
- 68 Grooved Head Screw.
- 69 Dowel Screw.
- 70 Skate Screw.
- 71 Wing Screw (Regular).
- 72 Damper Block Screw.
- 73 Damper Block Screw, Pointed.
- 74 Butt Plate Piano Screw.
- 75 Countersunk Fillister Head Screw.
- 76 Improved Oval Head Screw.

All above screws not listed as regular are subject to special prices.

2	1.15	1.25	1.70	1.80	2.90	4.00	4.60
2 1/4	1.45	1.90	2.20	3.30	4.40	4.80
2 1/2	1.65	2.20	2.50	3.50	4.90	5.30
2 3/4	1.90	2.50	2.90	4.00	5.40	5.90
3	2.30	2.90	3.50	4.50	6.00	7.40

*NOTE: Figures shown in heavy face type are national, coarse thread pitches and are carried in stock at all times.

Figures shown in light face type are national, fine thread pitches, raw material for which is at all times on-hand and can be made up upon reasonable notice.

Lengths, diameters, and threads not listed are special and will have to be made up to order. Such non-listed lengths and diameters take the list prices of the next longer or larger listed size.

We recommend the use of the national coarse thread pitches in-so-far as is consistent with requirements.

Agricultural Bolts are measured from under the head to point.

REVERSE HELICOID BOLTS

Attention is called to the following features of our Reverse Helicoid Tire, and Agricultural Bolts:—

1. Their absolute resistance to torsion after they are driven or drawn into the wood; the hole having been bored to the exact diameter of the threaded part of the bolt, avoids the necessity of mortising a square hole in the better grades of wood or heating the bolt to burn out the hole, as done in ordinary practice.
2. The increased strength due to the helicoid ribs on the shank.
3. The superior finish and symmetrical appearance of the goods.

Hexagon Nuts, U. S. S.

Semi-Finished

The threads and outside are made to an accurate gauge, and to the standard adopted by the United States Government.

The Semi-Finished Nuts correspond with the U. S. Standard in all dimensions, they are tapped and faced true on the bottom.
